EduID

# Introduction

---

- EduID (refers to Education unique Identifier) is a popular phenomenon in academic communities worldwide.
- LEARN EduID is to provide students and staff members with lifelong learning, research and collaboration with a number of research institutions and companies.
- Currently, EduID is exclusively for LEARN members only.
- After a successful registration, your EduID will be activated within 48 hours.
- Then you will be able to access all the services which are authenticated via your EduID credentials.

# Importance/ Purpose of EduID

---

- An EduID is an account for users within higher education and research in Sri Lanka.
- EduID is easier because you only have to remember one username and password to access many services around the world (SSO – Single Sign On)
- It is also safer for the institutes because it is connected to a real individual.
- In other words, an EduID does not belong to the institute where the students/ staff are enrolled, but to the users themselves.

# EduID Requirements

---

To register for an EduID, one should have the following essential requirements.

- Valid student/ staff identity card obtained from LEARN member institute
